Aetna Standard Plans

- ☐ Open Choice® PPO
- ☐ Managed Choice® POS

- [Prescription Drug List \(Formulary\), Coverage & Costs - Aetna | Find a Medication](#)
 - AFA Plans - Use Aetna Funding Advantage Plans
 - Small Group - Use Value Plus Small Group Plans

Search for covered drugs

Your pharmacy plan covers thousands of drugs. To see a list of commonly covered drugs (the formulary), simply select your plan year and plan name below. You'll need to know your pharmacy plan name to complete your search.

Not sure of the plan name? If you're an Aetna member, you can find this information in your Summary of Benefits and Coverage (SBC). If your employer is offering an Aetna pharmacy plan and you're considering one, ask your HR department for the plan name.

Prescription Drug Lists and Coverage

Find prescription medications your plan covers.

Purchased your own health plan?

If you have purchased, or are interested in purchasing your own health plan (not offered through your employer), these resources can help you to be more informed about your decision, as well as help identify medications that your plan commonly covers.

Use the Prescription Drug List Search Tool to view medications commonly covered by Cigna Individual and Family health plans.

To use the tool, choose your state, then enter a medication name or look for your medication name in the alphabetical list.

Pharmacy Resources for Individual and Family Plans

Have coverage through your employer?

If you receive coverage through your employer, these resources can help inform your decision about the plans your employer offers or help identify medications that your plan commonly covers.

Use the Prescription Drug List Search Tool to view medications commonly covered by Cigna health plans offered by employers.

To use the tool, choose your drug list name. Then, enter a medication name or look for your medication name in the alphabetical list.
